Hon. Mackenzie King,

The Roxboro,

Ottawa.

Dear Mr. Mackenzie King:

I have to-day written to Dr. Pritchett transmitting to him your letter to me stating that your father has acted upon Dr. Reeve's advice and has sent in his resignation to the Law Society. I hope that you will find that Dr. Pritchett will take action at once.

I regret to know that your father is in such an unfortunate condition with regard to his eyes.

With kind regards, I am,

Yours sincerely,

President.
